

The Delaware Electric Car Mandate

Town Hall Meeting

**STOP the
Electric Car
Mandate**
Save Freedom

Invited Speakers:

Dr. David R. Legates, former professor of geography at the University of Delaware; a former DE State Climatologist

Dr. David T. Stevenson, Director, Center for Energy & Environmental Policy of the Caesar Rodney Institute

Secretary Shawn Garvin, DNREC State of Delaware is a Delaware native and graduate of the University of Delaware

And more!

Learn all about the Governor's Plan to Mandate Electric Vehicles(EV) & hear from experts on climate, electric cars, and the DNREC regulations that begin in 2025:

- ◆ *Is transitioning to Electric Cars good for the planet?*
- ◆ *Can we make enough batteries and electricity for everyone?*
- ◆ *Are you ready to give up your gasoline powered car and trucks?*
- ◆ *Who is impacted the most by the new regulations?*
- ◆ *Why is the General Assembly not being given an opportunity to vote on this important issue?*
